Inflatable Products Manufactured By Us— In The USA

Parade Balloons

Custom Manufactured Helium Parade Balloons:

Helium parade balloon pricing is dependent upon detail, size, materials used, and final finish artwork detailing required. To get a quote we initially will need either a jpg file or photograph with any creative artwork requirements.

Price/Fees
By Quote

Range:
\$4,000.00
- \$60,000.00

Helium Spheres

Standard Helium Sphere Shape with Custom Artwork:

We manufacture 6.5 ft, 8 ft, 10 ft, and 12 ft and larger helium sphere balloons. Our Urethane based fabrics are white, with artwork applied by our artists by hand. Artwork needs to be submitted in order to receive a quotation. A jpeg or photo is OK to start.

Price/Fees
By Quote

Start at \$980.00

Airtight Balloons

Airtight Sealed Balloons:

Airtight balloon pricing is dependent upon detail, size, materials used, and final finish artwork detailing required. To get a quote we initially will need either a jpg file or photograph with any creative artwork requirements.

Price/Fees
By Quote

Range:
\$3,000.00
- \$60,000.00

Cold Air Inflatables

Cold Air Inflatable Balloons:

Our cold air balloons are manufactured using only Vinyl coated, Fire Retardant, UV Treated, and Mildew resistant fabric. Everything needed is supplied including electric fan. Please call us for a quote.

Price/Fees
By Quote

Range:
\$2,000.00
- \$30,000.00

Sculpture

3 D Modeling:

Most custom shapes require a 3D model. Most of our models are created with clay and hands. It will take 1-3 business days for us to complete a model for approval. The models are used to create the patterns required to build a custom giant inflatable.

Artwork Requirements

Required Artwork: EPS

For the eps, if they (your graphic people) could please "export" their illustrator file as an illustrator .eps (File) Export; Select Illustrator Legacy eps; Version - Illustrator 10 or Illustrator 3. If this cannot be done for some reason, File > Export; Select Adobe PDF. Please make sure all fonts are converted to outlines, or that you send the true type fonts w/ the file.

Price/Fees
By Quote

Special Projects

UAV Blimps

Special Projects—Blimp Envelopes— Remote Control

Please call us to discuss any special project requirements that you may have that require an inflatable.

Price/Fees
By Quote

We also manufacture remote control custom helium shape balloons for indoor use in arenas and stadiums as well as outdoor UAV Airships up to 120 ft.

Up to
\$1,000,000.00
